

WATER JPI 2017 JOINT CALL

Water Resource Management in support of the UN Sustainable Development Goals

TIMELINE FOR TWO-STEP APPLICATION PROCESS

CALL DESCRIPTION AND SCOPE

The Call topic is "Water Resource Management in support of the UN Sustainable Development Goals", and aims at developing new concepts, to tackle at least one of the following two challenges:

- ★ Multiple pressure effects on ecosystems and ecosystem services as well as effective mitigation – adaptation tools and assessments for implementing the water related targets of the UN SDGs
- ★ Developing accessible solutions for clean water management to address UN SDG6 targets
