

The Meeting of the Parties to the Water Convention

→ The Meeting of the Parties to Water Convention, taking place **every three years**, represents the largest international event driving the **transboundary water cooperation agenda** at the global level.

→ The **10th session** of the Meeting of the Parties to the Water Convention is a **crucial milestone** as it will provide the opportunity to **engage with leaders from governments** and other organizations working in the field of transboundary water cooperation and management.

→ For basin organisations, countries, development partners, academia and NGOs, this represents a unique occasion to **contribute to shaping the international water agenda**.

10th session

Meeting of the Parties to the Water Convention

23-25 OCTOBER 2024 | LJUBLJANA | SLOVENIA

Water Convention MOP 10 at a glance

10th session

Meeting of the Parties to the Water Convention

23-25 OCTOBER 2024 | LJUBLJANA | SLOVENIA

What? The **only UN intergovernmental forum** focusing on transboundary water cooperation at global level

When? From **23 to 25 October 2024**, in **Ljubljana, Slovenia**

Who? About **600 participants**, high level and technical representatives from Parties and non-Parties, RBOs, UN family organisations, IFIs, NGOs, academia, private sector, etc.

Why?

- To review **results achieved** in 2022-2024 under the PoW in share basins and countries
- To discuss **strategic priorities and activities** for 2025-2027
- To enable **discussion on thematic issues** in the plenary and through **dedicated side events!**

MOP 10 High-level segment: “Our waters, our future: Transboundary water cooperation to power climate resilience”

Over 30 Ministers (of Environment/Water/ Climate and Foreign Affairs) and other high-level officials of countries sharing transboundary water resources, high-level representatives of partner organizations, inspiring speakers and opinion leaders.
